- Mercedes-Benz V-Klasse

- Opel Vivaro
- Renault Trafic

Cooker Module — contains 2 removable burners with gas cartridges and storage space for kitchen equipment and food. It can be taken out of Nestbox and used separately, such as for cooking outdoors.

Cooker Module

Water Module — serves as a work surface and space for washing dishes and basic hygiene. It includes storage for 24 litres / 6.3 gallons of water.

Water Module

Nestmattress — a multi-layer, thin but comfortable mattress, perfect for sleeping in the car. It's lightweight, temperature and UV resistant, and easy to maintain.

Nestmattress

Nestpillow — a pillow with a large pocket for everything you need while you sleep. For ease of maintenance and comfort, they are covered with Mystic fabric like the Nestmattress.

Nestpillow

Nestbag window bag — designed for the side windows of your vehicle. It provides storage while acting as a privacy curtain. Made from solid, light, and breathable Batyline outdoor material.

Nestbag – window bags

Nestbag ceiling bag — complementary vehicle accessory functioning as additional storage space and as well as a screen closing off the inside of the vehicle.

Nestbag – ceiling bag

Nestblock — composed of a basic construction, a table and two chairs. Designed for vehicles with a floor rail system.

Nestblock

EGOE

Camping Axe

The ideal helper for the outdoors, easy to carry in a backpack or on your belt. Attach it to the Nestbox using stainless steel clips.

A great helper, useful in countless outdoor activities.

Camping Shovel

Cooling Bag — keeps your food cold; thermal insulation and inner pockets designed to hold cooling inserts provide the necessary temperature in the bag.
